

## TS600 Interactive White Board [TS600]

### TS 600 Interactive White Board

The Webster TS Series of interactive whiteboards instantly captures everything written or drawn on its surface. Transform your meeting or classroom into a more productive environment by allowing participants to listen and participate instead of taking notes. At the end of the session, save your notes to a computer so you can print, e-mail, fax, or upload them to the Web.

The TS series' interactive projection surface enables users to control
